RESPONSE UNDER 37 C.F.R. § 1.133

Dear Sir:

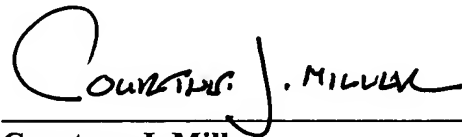

This document is being submitted in response to the Notice of Allowance and Examiner's Amendment mailed on June 1, 2005 and in response to the Applicant's obligation under 37 C.F.R. § 1.133 to make the substance of any interview held with a Patent Examiner regarding the merits of an application part of the written record. In the Interview Summary of June 1, 2005, a period for reply of one month was set by the Patent Office; thus, this Response is believe to be timely filed with a one-month Petition for Extension of Time and associated fee. In the event that any additional fee is due, the Commissioner of Patents is hereby authorized to charge any required fee to **Deposit Account No. 03-0172** (Calfee, Halter & Griswold LLP).

Initially, the Applicant wishes to thank Examiner Shriver for the Notice of Allowance regarding claims 1-9 and 22-27 in the above-captioned matter and for his assistance in the prosecution of this application. While the Applicant believes that the Examiner's Amendment and Interview Summary mailed by Examiner Shriver on June 1, 2005 make responding unnecessary, this Response is being submitted for purposes of clarifying the record and for satisfying any remaining obligations under 37 C.F.R. § 1.133.

On May 23, 2005, Examiner Shriver and the Applicant's representative, Robert Lech (Reg. No. 37,169) participated in a telephonic interview. In the course of this telephonic interview, the Applicant's representative authorized the Examiner to cancel withdrawn claims 16-21 via an Examiner's Amendment. No other matters were discussed.

The Applicant believes that this summary complies with the Applicant's obligation under 37 C.F.R. § 1.133 and provides any necessary clarity to the written record.

Respectfully submitted,

A handwritten signature in black ink that reads "Courtney J. Miller". The signature is written in a cursive style with a large initial "C".
